We understand the toll preschool tuition can have on a family. As a result the tuition prices below do not reflect the true annual cost for preschool attendance. In order to keep The Ivy School tuition to a reasonable rate, The Oregon Center for Creative Learning works through grants, donations and community partnerships, to supplement a portion of the cost for our tuition. The tuition listed below is your family's portion of the annual tuition. We offer three payment plan options for tuition. Please select your payment plan below. (If you feel the tuition below would cause your family undue hardship, please email preschoolenrollment@kid-time.org and ask about our Ivy School Financial Aid options)
