PANI POPO

INGREDIENTES:

- Mantequilla derretida
- 1-2 panecillos congelados
- 1 taza de leche de coco
- ¼ de taza de azúcar (cualquier endulzante funciona)

Preparación:

1. Precalienta el horno a 170 °C.
2. Toma un recipiente apto para horno y, con un trozo pequeño de papel absorbente, unta la superficie con mantequilla. Agrega los panecillos congelados, dejando una separación de 2,5 a 5 cm. Deja que se descongelen y dupliquen su tamaño.
3. Mientras los panecillos suben, toma un tazón y agrega 1 taza de leche de coco y ¼ de taza de azúcar. Bate hasta que esté bien mezclado.
4. Una vez que los panecillos hayan duplicado su tamaño, agrega con cuidado la mezcla de coco. Con un trozo pequeño de papel absorbente, unta un poco de mantequilla derretida sobre los panecillos. Hornea durante unos 15-25 minutos.
5. ¡Disfruta!
