

Preschool Annual Tuition Sheet

We understand the toll preschool tuition can have on a family. As a result the tuition prices listed below do not reflect the true annual cost for preschool attendance. In order to keep The Ivy School tuition to a reasonable rate, The Oregon Center for Creative Learning works through grants, donations and community partnerships, to supplement a portion of the cost for our tuition. The tuition listed below is your family's portion of the tuition.

NOTE: Our tuition is an Annual Tuition. This means that we evaluate the cost of preschool for our school year, including holidays, breaks, and inservice days. We then divide that cost into equal payments. We offer 3 different payment options that you can pick from upon registration.

- Option A: 1 month payment plan (due August 15th)
- Option B: 9 month payment plan (due August 15th-April 15th)
- Option C: 10 month payment plan (due August 15th-May 15th).

The monthly installment is payment toward the yearly cost of attending our preschool. Students enrolling mid-year will pay a prorated yearly cost determined at time of enrollment. Please note there is a \$75.00 registration fee and \$125.00 materials fee for all students.
